ABOUT ME

Aspiring AI and Data Science professional with proficiency in Python and Java, and a strong understanding of machine learning, data analysis, and algorithms. Skilled in problem-solving, critical thinking, and building efficient solutions. Eager to apply technical knowledge in real-world applications.

EDUCATION

B. Tech — Computer Science & Engineering IFHE Hyderabad (ICFAI Foundation) ▸ CGPA: 9.42 (Ongoing — 2nd Year) ▸ Merit Scholarship — 3 consecutive semesters	2024-2028
Board of Intermediate Education Alphores Junior College, Karimnagar ▸ Score: 97.8%	2022-2024
Central Board of Secondary Education Alphores High School, Karimnagar ▸ Score: 93.2%	2021-2022

SKILLS

Languages: Python • Java • C

Web Technologies: HTML • CSS • JavaScript

Databases: MySQL • DBMS Concepts

ML/Data Science: Scikit-Learn • Pandas • NumPy • TF-IDF • Naïve Bayes

Frameworks and Tools: Flask • Chart.js • Papaparse • Git • GitHub

PROJECTS

IOT Morse Code Quiz Game | ESP32 • C++ • IoT • Embedded Systems

- Collaborated in a 3-member team to design and develop a hardware-integrated quiz system using a buzzer, LED, keypad, and MQTT-based browser communication.

Personal Portfolio Website | HTML • CSS • JavaScript

- Developed a responsive portfolio website with client-side contact form handling and resume download functionality.
- Focused on clean UI/UX design and performance optimisation for fast load times.

Data Insight Explorer | JavaScript · Chart.js · Papaparse

- Developed a browser-based data analysis tool that parses CSV files and generates dynamic, real-time visualisations using Chart.js.
- Enabled users to derive insights without any backend setup, improving accessibility for non-technical users.

Spam Email Classifier | Python · Flask · NLP · Scikit-Learn

- Developed Spam Email Classifier using Flask, NLP, and Scikit-Learn.
- Implemented TF-IDF and Naive Bayes for text classification.

ACADEMIC ACHIEVEMENTS

- Awarded merit scholarship for academic excellence for 3 consecutive semesters at IFHE.

CERTIFICATIONS

- Java Programming Fundamentals in Infosys Springboard
- Introduction to AI in Azure-Microsoft
- Introduction to Linux (LFS101)
